JAINIKKUMAR PATEL

9409632334 | jainikpatel824@gmail.com

Summary

Highly skilled and dedicated Computer Engineering graduate with extensive hands-on experience in full-stack web development. Proven expertise in developing dynamic and responsive web applications, with a strong proficiency in JavaScript, React, Node.js, Express, and MongoDB. Demonstrated success in leading projects such as Propluse, a freelancing marketplace, from concept to deployment. Strong problem-solving abilities, coupled with a passion for learning and applying new technologies, including Cloudflare for enhanced web performance and security. Eager to leverage my skills and experience in a challenging web developer role to contribute to innovative and impactful projects.

Experience

Sankhyana Consultancy Service | Bengaluru, Karnataka
Software Developer | 08/2024 - Present
I have contributed to building forms for an LMS website and integrated PayPal and Razorpay payment gateways using Node.js and React. Currently, I am working on a MERN project to enhance website features and improve user experience.

Code Expert Solutions | GJ
Full-Stack Developer Intern | 12/2023 - 04/2024
Spearheaded the development of Propluse, a dynamic freelancing marketplace website using the MERN stack. Implemented key features including user authentication, project management, and payment processing with Stripe. Collaborated closely with team members to integrate front-end and back-end components seamlessly. Optimized performance and user experience, strengthening skills in full-stack development and agile project management.

Tatvsoft
Intern | 05/2023 - 06/2023
During my Summer Internship Developed a Book Store Application using ReactJS. Implemented user interface components and collaborated with team members. Adhered to coding standards and resolved technical challenges. Quickly adapted to the development environment.

Skills

HTML, CSS3/Tailwind CSS, Java Script/TypeScript, Java, Python, React Js, Node.js, Express, Prisma, C++, C, MongoDB, SQL, Data Structure, Algorithms, cloudflare, AWS

Education

G.H. Patel Collage of Engineering & Technology | Anand
Computer Engineering | 05/2024

Parth School of Science and Competition
Science | 05/2020

Certificates

Interactivity with javascript(University of Michigan), Machine Learning with Python(IBM), Intro. to Web Development(University of California, Davis)
